Acknowledgements

- I want to express my gratitude to Mr. Avishek Das and Ms. Smita for thoroughly teaching us this internship and spending the time and effort to ensure we have no concerns. I'd also like to thank my fellow students for their assistance in the discussion section and for contributing to the internship's excitement. I'd also like to express my gratitude to Mr. Ken Kahn for providing us with this Snap! opportunity to learn AI.
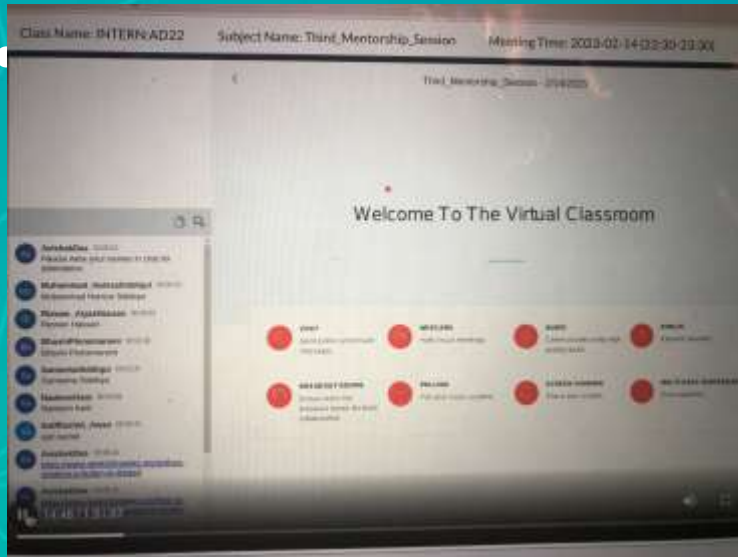

About Me..

- Student's Photograph

- Student's Introduction

- **Hello, my name is Nadeem Hani Shaaban, and I am 14 years old. I am in year 9. My ambition is to pursue a career in information technology and I would love to become a computer programmer.**
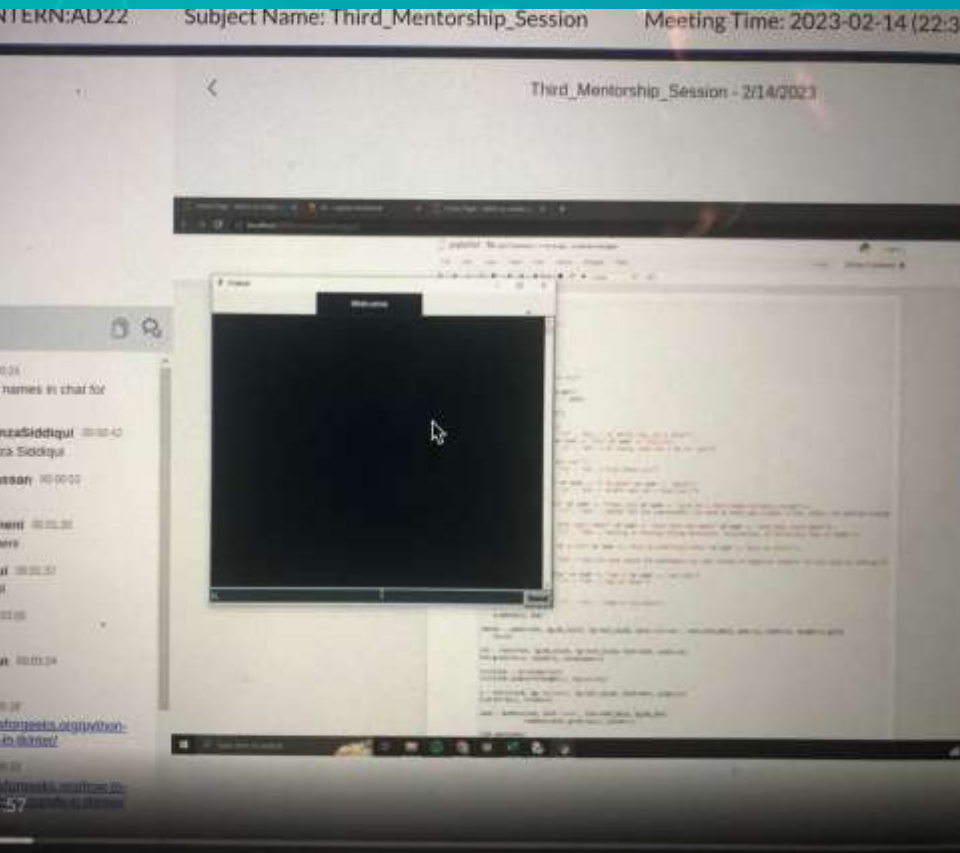

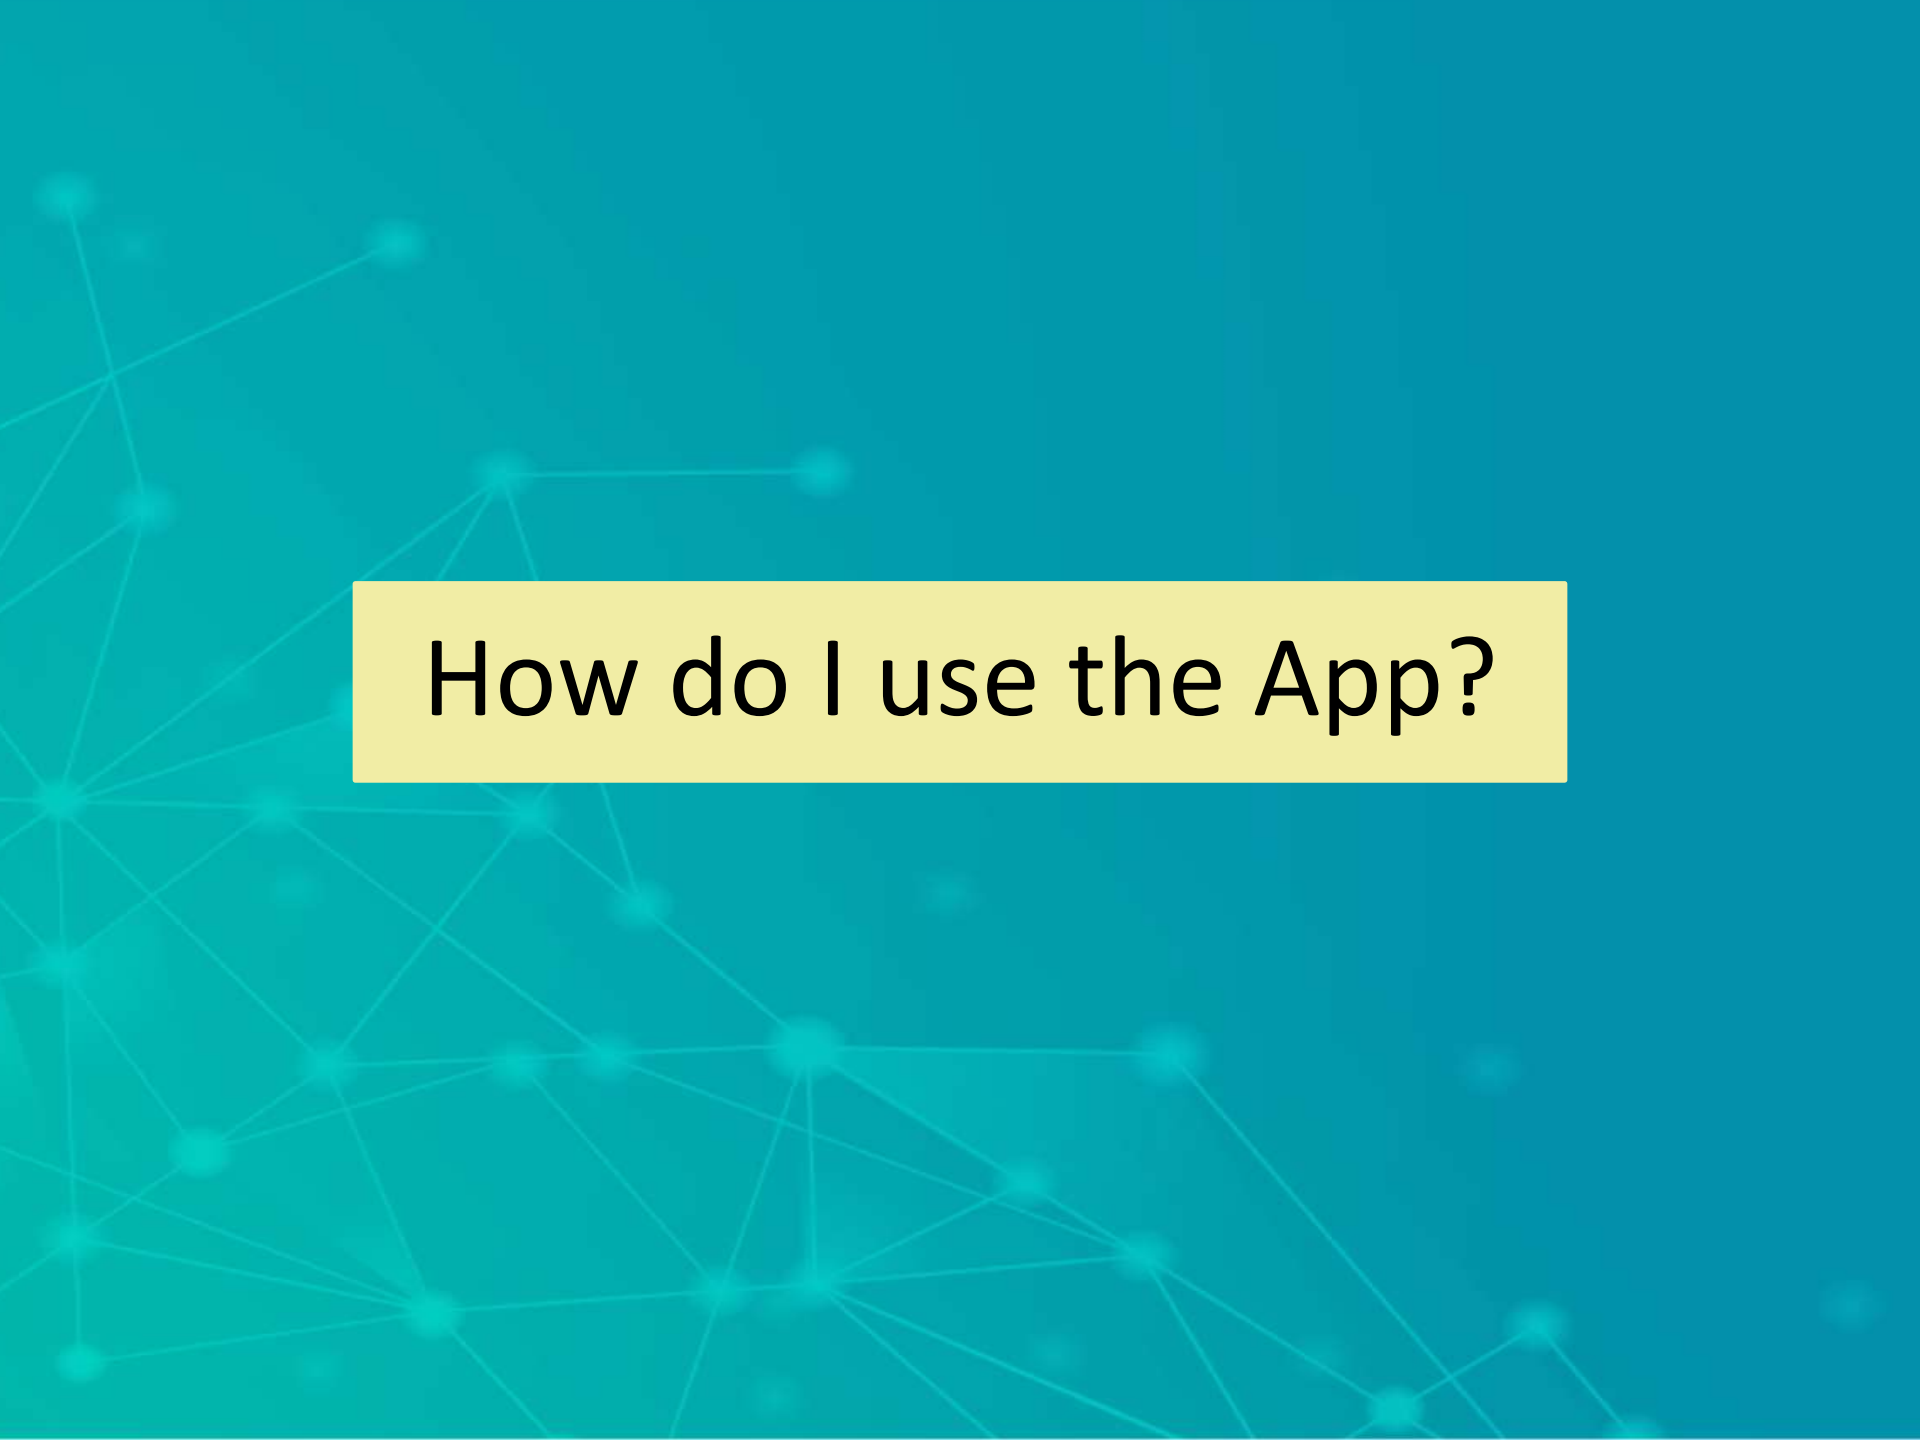

About My Internship Journey with Clevered..

- **The internship has greatly aided me in my understanding of Python; it has also been a lot of fun and amusement, and I wish I could do another internship again.**
